Dear **Sudhakavya Bodapati Venkata**,

Greetings from Amity Education Group, Amity University!

We trust this message finds you in excellent health and high spirits. On behalf of the Organizing Committee of IEEE 5th International Conference on Innovative Practices in Technology and Management (ICIPTM 2026), I am delighted to extend an invitation for you to **serve as a Reviewer (Judge)** for our forthcoming technical program.

ICIPTM has long been recognized as a premier forum that brings together leading academics, industry experts and practitioners to discuss advances at the intersection of engineering, technology and management. The 2026 edition again promises a rich agenda of peer-reviewed research, practical case studies and industry insights.

We believe your profile makes you an ideal reviewer for this year's event. Your extensive experience makes you an excellent fit for this role. Your practical industry perspective will bring valuable rigor and relevance to the review process.

As a Reviewer (Judge), you will evaluate approximately 5 paper submissions in your domain of expertise. Kindly check your CMT account and accept the review invitation. Please complete the review process in 3-4 days.

We would be honored to have your participation and insights steering the direction of ICIPTM 2026.

Thank you very much for considering this invitation.

With Best Regards,
Organizing & Technical Team
IEEE (ICIPTM-2026)
