

ACM Transactions on Computing for Healthcare

Reviewer recognition - public evidence copy

**Association for
Computing Machinery**

Dear Sudhakavya Bodapati Venkata,

Thank you again for reviewing "Data-centric Patient Work along the Medical Care Trajectory: Unpacking Current Practices with Medical Records" for *ACM Transactions on Computing for Healthcare*. You indicated that you would like to receive recognition for your review on the Web of Science, which you can do now by claiming your review here:

[Add your review to your Web of Science researcher profile](#)

Once you've created your researcher profile your review will be verified and added to it. Your anonymity is protected by default but you may be able to reveal additional details of your review if our review policy on the Web of Science allows it.

Please contact us if you have any questions.

You are receiving this email because you indicated that you would like to receive recognition for your recent review on a Web of Science researcher profile. By claiming your review via the link in this email, you are opting into the Web of Science researcher profile service and will be subject to the Web of Science terms of use and privacy policy. You may unsubscribe from all Web of Science messages at any time.
